October 16, 2024

Dear Shark Parents/Guardians,

I hope this message finds you well and enjoying this beautiful fall weather! We encourage all students to review their progress from the first quarter and set new goals for continued success! As always, we are committed to supporting them in their academic and personal growth.

As we move forward into Quarter 2 of the school year, I want to inform you of some important updates to our schedule.

New Schedule:

Starting today, October 16, we implemented a new schedule to better accommodate the needs of our students and ensure they receive the best learning experience possible.

Below are key changes:

- Lunch will be 30 minutes long (not 40 minutes, which proved to be significantly longer than needed), and it will occur within 4th period each day for consistency.
- We will observe a short, 7-minute Homeroom/Advisory period on Mondays, Wednesdays, and Thursdays. This brief period will be used to distribute information, make announcements, and assist our students in planning for their futures post-high school (academic advising).
- Our Academic Enrichment (“Power Hour”) has moved to Fridays. This move has allowed us to offer a bonus to our upper classmen who meet these criteria:
 - have a C or above average,
 - are not participating in a Friday sports or team practice or club,
 - do not need to take advantage of our Academic Enrichment tutoring, and
 - have transportation
- **may have Early Release after 5th period on Fridays.**

While we are speaking about academic success, remember to attend tomorrow’s awards ceremony for Quarter 1 at 2:00pm in the Shark Tank! We look forward to celebrating student success!

If you have any questions about your student’s progress, please reach out to our teachers or administrative team. We look forward to a successful Quarter 2, and we thank you for your continued support!

Sincerely,

Dr. Diane Kelley
Principal
Destin High School

Q1 SHARK AWARDS

DESTIN HIGH SHARK TANK

OCTOBER 17, 2024

2:00PM
